25X1 3. [] Miss Clow, in the office of Congressman John V. Lindsay (R., N. Y.), called and requested information concerning the case of [] who was rejected for Agency employment. Miss 25X1 [] primary complaint is the "high-handed manner" in which she was treated. Personnel and Security are looking into this.

25X1 4. [] Miss Florence Kirlin (in Mr. Macomber's office in the State Department) is forwarding to us a list of questions which Senator Mansfield gave to Secretary Hexter when he appeared before the Senate Foreign Relations Committee. Miss Kirlin felt that some of these questions could best be answered by CIA and may, in fact, have been answered in the Director's testimony today. We agreed to review the list of questions and contact the Department.
